Dear Attorney,

As you are aware, COVID-19 has caused a tremendous amount of backlog in our court systems and it is increasing each month. The need for efficient operations of our courts is more important now than ever. We not only owe this to the defendants; we owe this to the taxpayers of Llano County.

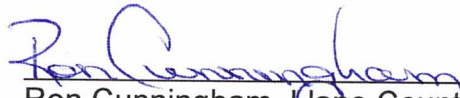

Therefore, to ensure we establish and maintain the most efficient court system possible in Llano County court, effective March 2, 2021, motions for continuance will be required to obtain a reset of a pending case. The motion and order **must be E-filed at least 72 hours prior** to the docket date from which the case reset is being sought.

If the case is set for arraignment a waiver of arraignment it should be E-filed no later than 24 hours in advance of the docket call.

In all situations be sure to include the Llano County Attorney as a part for service of the E-file.

Their information is: Dwain Rogers:	drogers@co.llano.tx.us
Melissa Wright:	cao1@co.llano.tx.us
Carrie Sultemeier:	cao2@co.llano.tx.us

Thank you for your anticipated cooperation.

Ron Cunningham, Llano County Judge
